Accommodations

Number of cabins: 3 Number of heads: 3

This Azimut 64' features a three-stateroom layout with full crew quarters, allowing her to be either owner operated or captained. The Azimut's profile is one of the sleekest looking 60 foot plus yachts on the water and the Abaco Blue painted hull is stunning. The full teak deck on the main deck and Flybridge were just refinished to offer a warm contrast and a comfortable foot-feel. New Stamoid covers for all new exterior cushions, including aft Cockpit, Flybridge and Bow, for protective storage when not in use. Dual Helm stations, both equipped with the Xenta Joystick system, and Bow and stern thrusters make the Azimut surprisingly nimble and responsive to maneuver and dock. The boat is equipped with color-changing underwater lights at both the stern and at midship, Port and Starboard sides, under the full beam Master Stateroom windows. Upgraded incredible Stereo sound system added to the boat with dual amps and new speakers for exterior entertainment. Bose Surround-Sound in the main Salon as well for T.V. viewing.

- Tecma toilet
- Drainage from pier, on port side walkway

Gray Water System:

- Water drainage into 52 gallon tank capacity in fore area
- Level sensor with automatic pump and alarm control from the wheelhouse
- Water drainage via manifolds - 24 Volt membrane pump
- Additional tank in polyethylene beneath the crew cabin
- Level sensor with automatic pump activation

Engine Gas Exhaust System:

- Submerged discharge system with minimum external by-pass
- Stainless steel drainage manifolds
- Structural mufflers in G.R.P.

Sea Water System:

- Engine cooling with 2 dynamic 3" seawater intakes with filter and valves
- Kohler Generator cooling with seawater intake filter and valve submerged outlet
- Conditioner cooling with 1 dynamic seawater intake with filter and valve submerged outlet
- Chain wash pump with 1 dynamic seawater intake -1" - with valve

Ventilation System:

- Head extraction system via 24 Volt gas extractors with control in head
- 2 fans and 2 extractors with flow diverter in engine room

Air Conditioning System:

- Condaria cooling system for air conditioning, World version - 92,000 B.T.U.
- A.C. Compressor - single compressor in engine room, on port side of generator

Fan Coils:

- 6,200 + 14,800 B.T.U. for the Salon and Dinette
- 16,000 B.T.U. for the Galley
- 16,000 B.T.U. for the wheelhouse area and windscreen
- 9,200 B.T.U. for the Master Stateroom, with delivery in the Master head
- 9,200 B.T.U. for the VIP Stateroom, with delivery in VIP head
- 6,200 B.T.U. for the Guest Stateroom
- 6,200 B.T.U. for the Crew quarters

Other:

- 24 Volt electro-hydraulic pump for trim tabs
- 24 Volt electro-hydraulic pump for gangway and swimming platform
- 24 Volt electro-hydraulic pump for davit

Tender

Williams 325 Jet Tender

Brokers Comments

This 64' Azimut Flybridge is one of the nicest on the market equipped with all the options and recent upgrades! She features twin SeaKeeper M8000 gyro stabilizers, and twin Caterpillar C18, 1150 horsepower diesel engines. This Azimut 64 Flybridge not only performs well and is quick for a large yacht but is completely comfortable at a 29 m.p.h. cruise speed or at anchor. Very comfortable flat running attitude at cruise speed makes it a joy to take longer trips. It is the perfect yacht for Florida Keys and Bahamas Getaway adventures. Hydraulic teak covered swim platform supports the Williams 325 Jet Tender that conveys with the boat.
