Heads: **1**

GREAT FOR FAMILY FISHING TRIPS!!

Kudu is very unique in style and in comfort. The open salon concept is very desirable for commercial sportfishing and charter boats. This layout allows your customers to be able to relax in the upper open salon either in the dinette or resting on the bench seat in comfort and in a protected area of the boat while still being close to the fishing action in the main cockpit. Kudu also boasts a full Tuna Tower for spotting fish when trolling for those gamefish.

"KUDU" is a custom sport fishing vessel, equipped for charter fishing. The hull was built by Torres, and reportedly (per previous owner) finished by Merritt Marine. Present owner has maintained this vessel's appearance, machinery, and equipment. Reportedly the engines were renewed in 2019. Structurally the boat appears sound, with no visual evidence of significant damage.

The cabin areas and galley are very well designed for charter fishing, not set up for extended cruising. Vessel has V-Berth that could sleep two as well as two twin bunks for any overnight charters. Cabin is airconditioned and has a full private head.

- Currently active running charters
- Garmin GPS map 6212
- Garmin Radar
- Icom VHF
- Kohler 8 KW Generator
- Can sleep up to 4
- Ready to go fishing right now
